

PRESIDENT IS GIVEN ROUSING WELCOME BY BAY CITIE

BERKELEY TO GREET WILSON AT THEATER

BERKELEY, Sept. 17.—Berkeley is ready to welcome President Wilson tomorrow afternoon. The University of California and municipal officials have united in plans for the demonstration which will mark the brief visit of the nation's chief executive and practically every resident of the city and every pupil in the local schools is expected to join in the afternoon's program.

According to an announcement today from Professor William Carey Jones, dean of the executive board of the university, the President is expected to reach the Greek theater at about 6 o'clock. All university classes will be suspended from noon until 6 o'clock tomorrow to allow students and faculty members opportunity to greet the President.

Two further measures will be taken to afford both university students and the general public opportunity to welcome President Wilson, one in the Greek theater and the other on the other side of the city. In addition to the student population of the campus there will be places available for nearly 20,000 residents of Berkeley at the two gatherings.

CITIZENS' COMMITTEE.
The committee of Berkeley citizens to welcome President Wilson at the Greek theater will meet tomorrow afternoon at the north entrance of the theater at 3:45 o'clock, and take their places on the platform before the arrival of the President.

Admission will be made on presentation of the card of invitation to each member of the committee, signed by Mayor Louis Bartlett. The Marine band of Mare Island, greatly augmented, will give a concert in California field from 3 o'clock until the President's arrival. There will be community singing of 800 children, led by Professor Farwell, Bancroft way, at 3 o'clock, and from Telegraph avenue east from 2 p. m. to protect school children.

WELCOME PLANNED.
President Wilson will be met at the foot of Broadway in Oakland at 2:30 o'clock tomorrow afternoon by members of the administrative board of the university, Deans William Carey Jones and Charles Mills Gayley, and Ralph P. Merritt, controller, and by Dr. Benj. H. Wheeler, president emeritus of the university. The presidential party will then proceed to Berkeley by way of Broadway and College avenue, reviewing the school children of Oakland en route, thence to Bancroft way and College avenue, thence to the College avenue entrance of the university campus. The route along which the presidential party will travel within the university grounds will be patrolled by 600 members of the university's unit of the reserve officers' training corps. The cadets will be in army uniform and will carry army rifles with fixed bayonets. The President will proceed at once to the lower north entrance of the Greek theater.

Arriving at the theater the President will be conducted to the rear of the stage by a bodyguard of naval reservists, members of the university's R. O. T. C. organization. One hundred and twenty students in naval uniform, assisted by the Berkeley police and the secret service operatives, will perform the work of policing the Greek theater. The stage of the theater will be equipped with a raised platform set apart by railings from the remainder of the stage. The Greek theater will be occupied by members of the faculty of the university, all of whom will be in academic dress. The Greek theater will be essential for admittance to this section of the theater.

The presiding officer at the meeting of welcome will be Dean William Carey Jones, chairman of the administrative board of the university. Dean Jones will extend the hospitality of the university to President Wilson, and will be followed by Mayor Louis Bartlett of Berkeley, who will present the welcome of the citizens of Berkeley. Due to the orders of his physician, President Wilson has let it be known that it will not be possible for him to speak on this occasion. Admiral Grayson, the President's personal physician, has advised him not to speak without his doctor.

SECTIONS RESERVED.
The gates to the Greek theater will open at 2 p. m. Sections will be reserved for students of the university until 2:15 p. m. Each student of the

Wilson Defends Ireland, China View Will Carry Fight to Opponents

BY INTERNATIONAL NEWS SERVICE.

LEASED WIRE TO TRIBUNE.

SAN FRANCISCO, Sept. 17.—President Wilson landed here today determined to "carry the fight" to his political opponents who are opposing the treaty of Versailles on political grounds.

Before he leaves he will have accepted the challenge of the men who declare that the treaty is an affront to those who demand the creation of an Irish republic and those who are lined up against the treaty because of the Shantung settlement.

"The President is determined to force the issue and to reply specifically to both charges. He is ready to meet the specific criticisms of Senators Borah and Johnson and the friends of Irish freedom who have been printing full page advertisements in all newspapers in the cities where the President has spoken, assailing his stand on Ireland."

ARE PROTECTED BY ARTICLE XI IS CLAIM.

The position of the President is that Article XI of the treaty of Versailles is fully intended to protect Ireland as well as China. Already the President has touched on the Shantung agreement in a few of his speeches, pointing out that Great Britain and France are agreed to carry out their secret treaty promises that everything Germany en-

joyed in Shantung should go to Japan and that the only effect that reputation of the Shantung settlement to the United States would be to align the United States against Japan, Great Britain and France without in any way benefiting the cause of China.

WILSON INTENDS TO ELABORATE POSITION.

This position the President will elaborate on in the next few speeches he will make. And in elaborating on this subject he will make specific reply to the Irish charge that the league as now proposed "would mean partnership between the United States and the tyrant empires of Europe and Asia with the European and Asiatic partners the sole beneficiaries" and that if the league goes into effect, "the United States no longer continues a benefactor of peoples struggling for liberty, but becomes an international policeman, or is relegated to the position of the dissenting minority."

He is expected to analyze Articles 10, 11 and 19 of the treaty, and to show that the Chinese and the Irish positions.

It is also expected that in this connection the President will show that the Irish situation was in no way aided in the treaty by the members of the league commission when the original constitution of the league was framed.

Here's Itinerary of President Wilson While in Oakland

The President's itinerary in Oakland tomorrow is as follows:

Arrive First and Broadway ferry, 3:30.

Parade past Alameda school children at foot of Broadway, proceeding up Broadway to Fourteenth, thence to Harrison on Grand, west to Broadway on Grand, thence north to Technical High School and out College avenue to University of California.

Arrive University of California, Greek Theater, 4:15.

Return to Oakland, to Hotel Oakland for rest and dinner, 5:30.

Auditorium doors open, 6:00.

President to dine privately at Hotel Oakland and arrive at Auditorium 8:00.

President leaves Oakland, 10:30.

Boy Scouts to Form Presidential Guard

BERKELEY, Sept. 17.—Berkeley's Boy Scouts will be mobilized tomorrow afternoon to do honor to President Wilson on his visit to the college city.

All Berkeley Scouts have been ordered to report to headquarters at 2:15 o'clock tomorrow afternoon to be organized into a Presidential guard for the President's visit. The duty of this duty Superintendent of Schools H. B. Wilson will dismiss all uniformed scouts from their classes at 10 o'clock.

Scouts will escort the machine of the President from the Greek Theater direct to California field, an honor guard of 500 boys to form a lane through which the official party will pass.

A scout will be placed in the Greek Theater to signal to a scout in the Campanile, who will in turn signal to California field. The reports will then be megaphoned to the crowd notifying all just what is occurring at the Greek Theater. The official scout bugler will sound the call to the President into California field.

First-aid tents will be placed in four corners of the field and will be manned by scouts to handle any emergency.

Charles Keeler, who is handling the program is arranging for a band and a program of interest on California field until the arrival of the President.

Father McCarthy Pleads for Irish

STOCKTON, Sept. 17.—President Wilson was scored by the Irish in the Friends of Irish Freedom here last night by Rev. Francis McCarthy of Oakland as having impudently "ignored the declaration of Congress, caused by the Irish commission before the peace conference."

Father McCarthy also referred to the President as "the son of an English clergyman who had lost sight of the purpose for which this nation entered the war—the liberation of the oppressed peoples of the world."

Among other statements were: "Article X closes the most important door to Irish freedom by preventing assistance by the United States."

"To be a hyphenated American is an honor if it means freedom for people oppressing governments."

Will Ask President To Free Prisoners

LOS ANGELES, Sept. 17.—Labor delegations seeking an audience with President Wilson when he arrives in Los Angeles will concentrate their demand for the release of so-called political prisoners, including Eugene V. Debs, former Socialist candidate for president, it was announced here today. Upon similar action the leader in the movement here.

Blood-Iron Phosphate For Weak, Thin Folks

Weak, thin, nervous people almost invariably owe their condition to lack of phosphate in the nerves and lack of iron in the blood. One of the surest, quickest and safest ways in which to make up the deficiency is to take with each meal a five-grain tablet of digestible phosphate and iron known among druggists here as "Blood-Iron Phosphate."

Important!—Blood-Iron Phosphate is sold only in original packages, containing enough for three weeks' treatment, at \$1.50 per package—only 20 cents a week—Advertisement.

DIZZY—WRECKED HIS AUTOMOBILE

"Two years ago my stomach trouble got so bad that I was almost constantly filled with gas. This made me very dizzy at times. Last Fall I was almost overcome by one of these dizzy spells while driving my car, and ran it into a telephone pole, badly wrecking the car. A friend recommended May's Wonderful Remedy for my trouble. Since taking the first dose I have steadily improved, and feel better now than ever in my life. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At druggists everywhere." Advertisement.

PRESIDENT REVIEWS CHILDREN AND VETERANS.

With military and police escort the presidential party began its march up Market street at 9:30 o'clock this morning on the way to the Civic center, where the school children of San Francisco and veterans in Letterman General hospital were reviewed before the guests were taken to their apartments at the St. Francis for a brief rest.

The President expressed himself as extremely interested in the Pershing reception and the review of the First division in Washington today and the reception by Congress in honor of the general tomorrow. He had sent a message to the First division, saying: "The Secretary of War Baker made public today."

Winding up this message, the President sounded what is to continue to be the keynote of his speeches for the remainder of the trip, saying: "I now remain for us to see what you did is forever made complete by the concert of all the nations who love peace and pursue justice."

TO RELIEVE CATARRHAL DEAFNESS AND HEAD NOISES

If you have Catarrhal Deafness or are hard of hearing or have head noises, try this. Buy a bottle of "First Buying Power" and get 1 ounce of Parmit (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take one tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, hearing become easy and the mucus stop dropping into the throat. It is easy to prepare, and it is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial.—Advertisement.

tricts south of Twenty-eighth street, will be lined along Harrison street, waving flags as the President passes. Children of all North Oakland districts will be before the Technical high school.

Returning from Berkeley, the President will proceed at once to the Hotel Oakland, where he will dine privately. At 8 o'clock he will proceed to the Auditorium.

The Auditorium doors will be open to the public at 6 o'clock, according to the arrangements of the committee. There will be no reserved seats, but Chief Lynch is arranging if possible to give the school children an opportunity to see and hear the President, and if possible preference will be given the youngsters in some part of the big building. This matter is yet to be settled by the committee.

Captain of Inspectors Walter J. Peterson has made up special details of detectives to work in the crowds and with the Presidential party. With the presidential automobiles will ride Inspectors B. A. Wallman, William Kyle, Frank Rosick and Joe Robinson. The detail to meet the president at the ferry will consist of Captain James T. Drew, and Inspectors Richard Morley, John Dutton, John Mulhern and William J. Enigh.

Captain William F. Woods and Lieutenant James Walters will have charge of the police of the crowds at the Technical high school. Captain Charles Beck will be in charge of details at the ferry, the Auditorium and the Hotel Oakland.

The President is scheduled to arrive at the auditorium sharp 8 o'clock, when he will commence speaking a few moments before Mayor John L. Davis will introduce H. C. Capwell as chairman of the platform.

The president is scheduled to leave Oakland before 10:30 p. m. when he is to resume his trip. He will, escorted to the ferry by the police and secret service operatives immediately on finishing his address.

Work of decorating streets, auditorium, and Hotel Oakland was started today under the direction of the general welcome committee headed by R. M. Fitzgerald. Parts of the route of the parade have been decorated with flags for the President, and the auditorium lavishly decked in flags.

HALF HOLIDAY DECLARED BY MAYOR DAVIS

Tomorrow has been officially declared a half holiday by the city council, in honor of the arrival of President Woodrow Wilson. From noon on has been designated a period of official celebration according to the council vote.

Following the vote of the council Mayor John L. Davis issued the following official holiday proclamation:

To the People of Oakland:

Tomorrow, September 18, O. land will be honored with a visit of the President of the United States, Woodrow Wilson. See only to the crucial period of war are the present problems reconstruction which our President is now touring the country to explain.

As loyal Americans it is our duty, therefore, to show a special interest in the message which the President presents and according to the respect due the chief executive of our country, and to that, I now call upon the merchants and business men of this city to close their doors and give the people of Oakland an opportunity to participate in this welcome.

"There's a Reason"

Alamedans Denied Glimpse of President

ALAMEDA, Sept. 17.—More than 5000 school children are today regretting the fact that they will not be able to see President Wilson in their home town.

The San Francisco committee in charge of the program for the President's stay across the bay on Thursday, felt they had not a minute to spare, which would enable the chief of the nation to drive through the Encinal city.

Postmaster Tom Stoddard was most persevering in his efforts to secure a view of the chief executive for the children in Alameda. Late yesterday afternoon he received his final decision from McNab which was in the negative.

In view of that fact the Board of Education at the meeting last night granted a half-holiday Thursday afternoon, so that the children may journey to Oakland and see the President when he passes through that city.

SCHOOL BONDS

PLAN TOTALS \$4,975,000

That the total amount to be raised in Oakland's school building bond plan will be \$4,975,000 and not \$5,150,000 is the statement of Superintendent of Schools Fred M. Hunter, who states that the supplementary report he had placed before the board of education, outlining various new improvements to add to the building program, did not mean additional expenditure, as the amounts were included in the original bond call. His segregation of the plans for descriptive purposes, he says, gave rise to the belief that the new work was to be added to the other bond money.
 "I read a supplementary report," he said, "in which were emphasized the need of improvements in the Bella Vista, Crocker Highlands, Elmhurst, Manzanita, Oakland High, Piedmont avenue and Stonehurst schools. The amounts for these improvements were added to the total of the bond issue, which was not intended. The amounts in the supplementary report were already in the original report, and had been segregated purely to emphasize these particular needs."
 Hunter says that the schedule as now stands is the complete building program, and that \$4,975,000 is the complete sum to be raised by bonds for the work.
 "Oakland's growth has been amazing, as anyone who has to hunt houses knows," said Hunter. "And that is the bottom of Oakland's school problem. The amount of the bond issue seems large, but is not so when the phenomenal growth of Oakland's population is taken into consideration. The children are packed like sardines into the schools now, and with a steady growth, there is no telling what could be done in two years unless the school facilities were enlarged."

 NEW YORK, Sept. 17.—At least three magazines of nation-wide circulation will suspend publication in New York and move to other cities to avoid demands of New York union printers, according to a statement issued here by John Adams Thayer, secretary of the New York Publishers' association.
 One hundred and fifty-two other periodicals are ready to suspend if wage increases and other demands by the printers are insisted upon, it was announced by the Periodical Publishers' association. "Business will be resumed in Western cities where the publishers may be free from the radicalism of local labor unions," Thayer's statement said.
 One of the printing machinery, which was to have been installed by several publishers here, have been cancelled and arrangements started to dispose of real estate here, according to Thayer.

PRATT TO PLEAD

SEPTEMBER 25TH

Daniel W. Pratt, former business manager of the Oakland school board, will plead to the indictment charging him with felony embezzlement on September 25.
 When his case was called on arraignment yesterday afternoon before Judge Lin S. Church, Pratt's attorney asked for an extension of time during which to study the indictment and the law governing. The district attorney's office consented to the continuance. Pratt was not present, it having been agreed that the continuance would be granted.
 The accusation against the former board manager is that he appropriated \$230 worth of department automobile tires to his own private uses. When the disclosure of the irregularity was made he resigned.

AFTER EATING PLAY SAFE

It is a Wise Precaution to Take a Stuart's Dyspepsia Tablet After Eating to Avoid Gas, Sour Risings, Heaviness, and the Lazy, Lory Feeling So Apt to Follow.

The range of food is so great, its preparation varies so widely, that few stomachs are strong enough to grapple with all conditions of restaurants, hotel clubs, banquets and banquets. The safe plan is to be provided with Stuart's Dyspepsia Tablets, that you may eat rich and palatable food served or selected and not be troubled with gas, sour risings or such signs of indigestion. These tablets digest food, they assist the stomach secretions and for this reason people who travel away from home and must eat as it is served may play safe by taking one or two Stuart's Dyspepsia Tablets after each meal.
 You can get these tablets in any drug store anywhere in the United States or Canada, which shows in what general favor they are among those who have learned how to enjoy their meals.—Advertisement.

REAL ESTATE DEALS ARE NEGOTIATED

Several important deals involving the transfer of downtown business property in this city are about to be consummated, according to local realty operators, who say that at this time they are not in a position to give the names of purchasers.
 Among the improvements contemplated is a large modern office building and three or four big garages with several floors and elevators. One of the garages, construction work on which will begin soon, is to be of the Chicago type. It is to be a seven-story structure and will be equipped with elevators for the handling of machines. Rapid growth of the automobile industry in this city has been such, according to handlers, that the erection of larger buildings has been imperative.
 Industrial property in this city has been moving steadily for many months and the real estate situation generally is showing marked improvement over that of last year, but business property has been slow in moving up to the last few weeks. Conditions along that line are much improved, realty operators say. They express the belief that an era of general prosperity involving all kinds of property is immediately in store for Oakland.
 Home-building is reported to be going on rapidly in all parts of the city, with the result that lack of housing facilities is less acute than it was a few months ago.

MERCIER PRAISES IDEALS OF U. S.

BALTIMORE, Sept. 17.—In an address to an assemblage which packed the Lyric Theater, Cardinal Mercier, primate of Belgium, thanked America for its great support of his country in time of trial and appealed for the continuance of this help.
 It was Cardinal Mercier's first formal address in this country. He came here, he said, first to express his admiration for America; second, to express his gratitude, and third, to express the "need of American help for the social reconstruction of Belgium." He said:
 "America had no territorial, financial or political interest in the war; rather was she bound by her traditional policy to keep herself aloof from every European conflict; America had in her bosom a proportion of citizens of German origin and appear to a foreign observer rather as a cosmopolitan agglomeration than one homogeneous unit; but this wonderful country showed herself to be animated by one soul, permeating all the parts of her immense organism, and giving to all the individuals the same high ideals, the strongest bond of social unity and above all, honesty.
 "America saw Belgium struggling and suffering for honor! America could not help esteeming, loving, admiring Belgium; she esteemed, loved, admired Belgium not in words but in deeds.
 "Our brotherhood, in the worship of the same ideal, brought both our nations closer to each other and my desire to clasp your hand over this common cause of eternal justice is the first reason for my coming here.
 "Even as Belgium was, in 1914, the providential instrument to bar the way to the invaders, in order to allow France and England to concentrate their forces against the German colossus, was in 1917, the main providential factor of our final victory.
 "On the 25th of June last, the Belgian people, King Albert, Queen Elizabeth and their royal children at their head, in union with the whole hierarchy, clergy and an enormous multitude of our compatriots, celebrated in Brussels a national Thanksgiving Day. A religious monument will commemorate for future generations our universal gratitude. A chapel of this, our national basilica, shall be dedicated to the great republic of the United States.
 "Accept, please this resolution, as an homage of our feeling of admiration and gratefulness, towards your valiant troops who saved our liberty, and towards Herbert Hoover's commission for relief in Belgium, which saved the very life of many of our Belgium families."

Thrift Stamp Sales Below U. S. Quota
 During the first eight months of 1919 the people of the twelfth federal reserve district, embracing the states of Washington, California, Oregon, Idaho, Utah, Nevada, part of Arizona and the territories of Hawaii and Alaska, saved \$1,079,253.75 by the purchase of thrift and war savings stamps, according to a report just issued by the war loan organization. "High prices were but just that hard," said Robert E. Smith, director of the organization, "as every dollar saved helps bring down prices."
 The amount saved, however, the report shows, is only 13.9 per cent of the quota asked to date by the government from residents of the twelfth district. At the beginning of the year the treasury department fixed a quota of \$10 per capita as sufficient to help the government meet its war debts. The \$10 quota is just half the per capita quota asked in 1918.
 "Work and save regularly is the only remedy," the report concludes.

 Linwood says that he came to Oakland with a discharged soldier of his acquaintance last night and that the other man gave him a drink. He was found unconscious at Fifteenth and Alameda streets by the police, and was taken to the receiving hospital. On his recovery he said that he had lost \$65 during his Oakland adventures. He did not know the name of his companion, he said.

During the first eight months of 1919 the people of the twelfth federal reserve district, embracing the states of Washington, California, Oregon, Idaho, Utah, Nevada, part of Arizona and the territories of Hawaii and Alaska, saved \$1,079,253.75 by the purchase of thrift and war savings stamps, according to a report just issued by the war loan organization. "High prices were but just that hard," said Robert E. Smith, director of the organization, "as every dollar saved helps bring down prices."
 The amount saved, however, the report shows, is only 13.9 per cent of the quota asked to date by the government from residents of the twelfth district. At the beginning of the year the treasury department fixed a quota of \$10 per capita as sufficient to help the government meet its war debts. The \$10 quota is just half the per capita quota asked in 1918.
 "Work and save regularly is the only remedy," the report concludes.

MAN STRUCK BY AUTO OF RECTOR DEAD

John McLeod, a switchman, run down several days ago by an automobile, driven by Rev. Father Edgar P. Gee, at the Key Route crossing at Fortieth street and Broadway, died today at a local hospital. According to Deputy Sheriff Harry McInnis, who witnessed the accident and took the clergyman's name, Rev. Father Gee's auto had passed ahead of another car and struck the switchman. At the hospital McLeod refused to make out a complaint, stating that he could not say it was the fault of the driver of the car. McLeod was 65 years old. Relatives have taken charge of the remains.

Landlord Sued by Disabled Tenant

Mrs. Kate Eastman, resident of the Arco apartments, 1438 Madison street, has filed suit against R. O. Hobson, the owner, for \$25,000 damages, alleging that because he failed to have the hallway properly lighted she fell downstairs, rendering her disabled today at a local hospital. According to Deputy Sheriff Harry McInnis, who witnessed the accident and took the clergyman's name, Rev. Father Gee's auto had passed ahead of another car and struck the switchman. At the hospital McLeod refused to make out a complaint, stating that he could not say it was the fault of the driver of the car. McLeod was 65 years old. Relatives have taken charge of the remains.

Gary Defends "Open Shop" Stand Steel Workers Discuss Strike Plan

PITTSBURGH, Sept. 17.—The national committee for organizing iron and steel workers went into session here shortly before noon today to take definite action on the matter of postponing the strike of iron and steel workers called for September 22.

Before going into the meeting John Fitzpatrick, Chicago, chairman of the national committee, said that unless there was a "closed shop" telegram from Elbert H. Gary, chairman of the board of the United States Steel Corporation, no postponement of the strike, as requested by President Taft, until after the industrial conference at Washington, October 6, would be considered.

Fitzpatrick said the men were fully organized and prepared to walk out next Monday.

The meeting of the national committee today was called primarily to make preparations for the proposed strike.

At 2 o'clock the national committee of the steel workers took a recess until 4 o'clock. No announcement was given out after the meeting.

Chairman Fitzpatrick, when asked concerning the postponement of the projected strike said that thought of such action was a "dream."

ATTITUDE EXPLAINED.—The Carnegie Steel company today gave out a letter from L. H. Gary, chairman of the United States Steel Corporation, addressed to the president of the subsidiary companies.

The letter states that the corporation does not combat labor unions as such and that it does not negotiate with unions because it would indicate the closing of the shops against non-union labor.

It is the settled determination of the United States Steel Corporation and its subsidiaries, the letter states, "that the wages and working conditions of their employees shall compare favorably with the highest standards of propriety and justice."

"Not long since I respectfully declined to meet, for the purpose of discussing matters pertaining to labor at our various plants, a number of gentlemen representing certain labor unions. They claim this furnishes cause for complaint and have stated that they intend, if possible, to prevent a continuance of operations at our mills and factories."

OPEN SHOP PRINCIPLE.—"The principle of 'open shop' is vital to the greatest industrial progress and prosperity. It is of equal benefit to employer and employee. It means that every man may engage in any line of employment that he selects and under such terms as he and the employer may agree upon; that he may arrange for the kind and character of work which he believes will bring him largest compensation and the most satisfactory conditions; depending upon his own merit and disposition."

The Colon Is the Home of Health—Keep It Clean!

FALL HOUSE CLEANING is at hand. It's a hard job, at best. But consider what an impossible task it would be if the house hadn't been getting its regular daily cleaning all these months!

Long before this noone could have lived in it. The accumulated dust and dirt, which is fairly easy to down day by day, would have so clogged the quarters that they would be uninhabitable.

Your Colon is the house where your health lives. It has different "rooms" in which your daily physical welfare "lives". These "rooms" are long and narrow. So they are easily clogged. And when constipation clogs them, your health has to get along the best it can in a home that isn't fit to live in, any more than a house-clogged up with dust and dirt is fit for you and your family to live in.

Nujol is the broom that will keep this "home of health" in perfect order all the time.

Nujol is the only helper that will do this without turning things topsy-turvy and upsetting all the "rooms" in a house-cleaning dose.

By daily use of Nujol you can free yourself from all the disease-risk, discomfort and inefficiency that come from a clogged colon.

Nujol is not a medicine. Not the least particle of it is absorbed into the system. It is a clear, tasteless, odorless, absolutely HARMLESS softener and lubricant. A baby can take it with perfect safety. It doesn't upset the stomach or anything else. It simply keeps the home of your health CLEAN and COMFORTABLE.

Get a bottle of Nujol from your druggist-to-day, and send for free booklet—"Thirty Feet of Danger."

Tonight! Take Dodson's Liver Tone!

Better Than Calomel For Liver

Calomel sickens! If bilious, constipated and head-achy, read my guarantee.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work!

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile, crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness and cramps, if your breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone.

Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful tonight, and if it doesn't straighten you right up and make you feel fine and vigorous by morning, I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine, entirely vegetable, therefore it can not sallow or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put you on your feet and make you feel like a new man. It will clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless. It cures colic and they like its pleasant taste.—Advertisement.

JUST GROWN-UP CHILDREN

Most of our care-free Americans forget to grow up at all. This fact is very evident when nature needs help in the form of a laxative. Children-like, we shrink from the bitter-tasting or heavy oil preparations that have heretofore been in common use. There is a laxative that has successfully overcome this unpleasant feature. The name is PURLITTS, but "The Candy Laxative" is an almost as frequent identification. The unpleasant drug tastes are completely disguised. You can chew PURLITTS and really enjoy the taste.

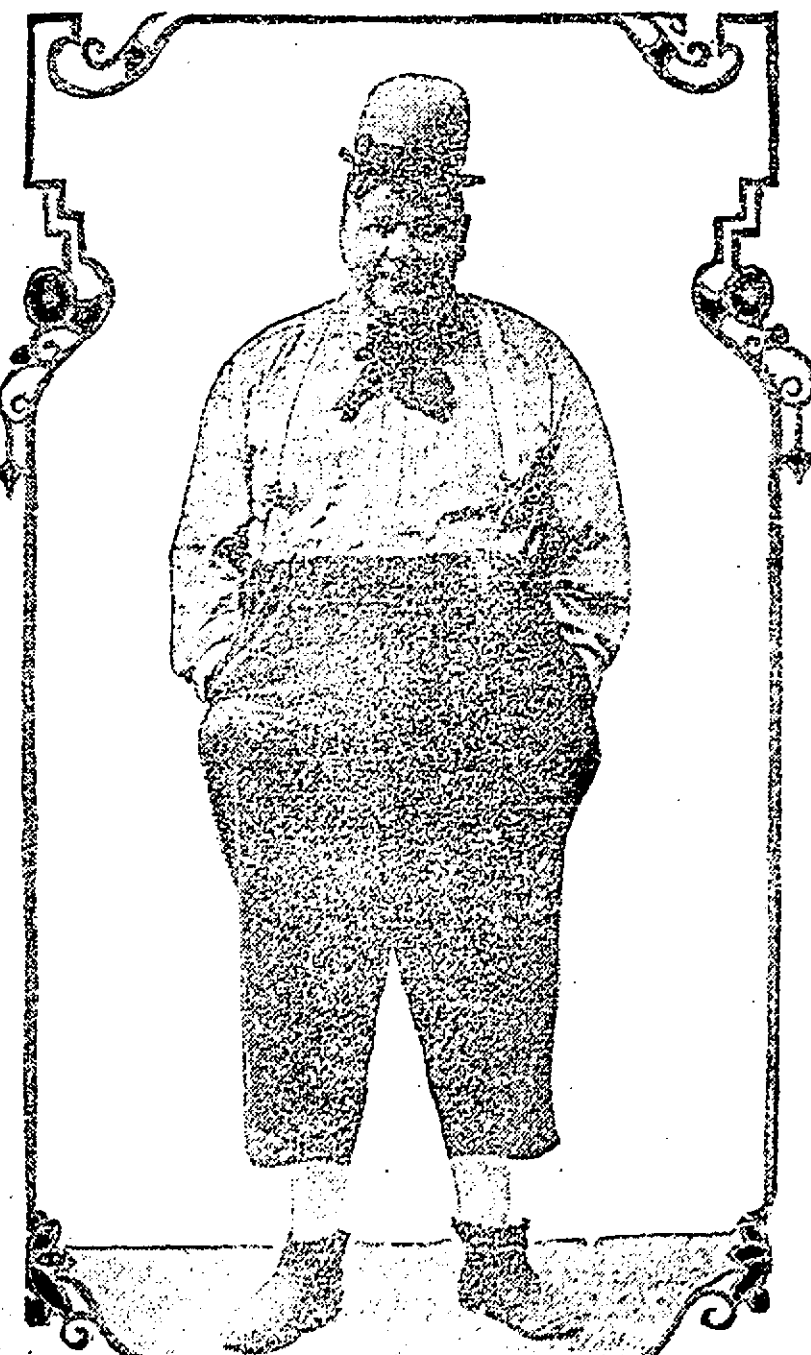

PURLITTS relieve constipation and the many ailments due to torpidity of the liver and bowels. Miss Crellin To Be Bride September 26

With only relatives and close friends present to witness the marriage service, Miss Florence Crellin will plight her troth to George Perry Griffith Jr., of Los Angeles, Friday evening, September 26, at the home of her parents, Mr. and Mrs. Thomas A. Crellin, in Jackson street.

Rev. Alexander Allen, rector of St. Paul's Episcopal church will officiate. Miss Katherine Crellin is to be the only attendant upon her sister and the best man, a brother of the bridegroom-elect, Richard Griffith, George Griffith and his brother are expected to arrive the latter part of this week from the southern part of the state.

In the meantime Miss Crellin is being entertained by her intimate friends, two interesting affairs of the past week being those hosted by Miss Norma Thayer and Miss Antoinette Tucker.

Thursday afternoon Miss Jean Budde, formerly of Medford, Oregon, but now residing in Berkeley, will entertain at tea for Miss Crellin at the Palace hotel, over the bay.

A dinner party at the Palace hotel last evening was given by Miss Crellin in honor of Mr. and Mrs. Harry Saut of New York, whose marriage was an event of a fortnight ago in the East. They are en route to Manila for their honeymoon trip and expect to remain in the islands for about a year before returning to this country. The guest list at the dinner last evening included a group of close friends of Miss Crellin, including Miss Phyllis Stone, daughter of a prominent railroad magnate of the East.

VISITING FRIENDS IN THE EAST

Mrs. William H. Marston of Berkeley, well known local club actress in the Bay section, is enjoying a delightful visit in the East, where she is renewing old acquaintances and visiting a wide family connection in the scenes of her girlhood. Most of her time she has spent in the New England states, with stops at Florida, Washington, Philadelphia, New York and other large cities. She is at present in East Boston, where she plans to start West in a few days, stopping en route at various places for additional visits. The return to Berkeley will not be made until the end of October.

Saturday afternoon at her residence at 2731 Benvenue avenue, Berkeley, Miss Lois Walker gave a shower in honor of Miss Dorothy Munro, her sorority sister, an Alpha Gamma Delta. Among those present were the Misses Dorothy Flynn, Bessie Nelson, Agnes Edwards, Faith Boardman, Mary Baughman, Virginia Green, Alice Ellis, Maud Collier, Alice Mundorf, Roma Conner, Marjory Flynn, Anita Coffey, Mrs. Dobbs, Mrs. Munro, Mrs. Holton, Mrs. X. M. Walker, and Master Lowell Walker. The guest of honor was the recipient of many presents. The latter part of December Miss Munro will be married to Ellis House of Stockton.

Miss Claire Knight who will spend the winter months here is to be the guest of honor Saturday at a luncheon over which Miss Adele Chevalier will preside as hostess in San Francisco. Miss Knight is the daughter of Mr. and Mrs. Robert Knight who have leased the home of Mr. and Mrs. Robert Augustus Bray in Piedmont. Mrs. Knight is a sister of Mrs.

MISS BEATRICE OLDS, of Berkeley, popular U. C. girl, who has won recognition through her dramatic reading. She is one of the attractive young women of the college city—Webster Photo, Keystone Pictorial Service.

J. P. H. Dunn, Mrs. Leon Bocqueraz and Mrs. J. H. Dickman.

Monday afternoon Miss Geraldine King, the young daughter of Mr. and Mrs. Arthur Dale King, was hostess at a luncheon given at the Woman's Athletic club in San Francisco. It was a farewell party since the hostess is to leave soon for New York to attend a finishing school.

WILL ENTERTAIN FOR PIEDMONT MATRON A bridge party is planned Saturday evening by Mrs. George H. Newton in honor of Mr. and Mrs. John Hostetter of San Francisco, who have come to Piedmont to reside. The preceding afternoon Mrs. Frank Chiles will be hostess at tea for Mrs. Hostetter and about the

News of the Churches

St. Philip's church, Fruitvale, was crowded Sunday evening by an interested audience gathered to hear Dr. Parsons' informal talk on the Balkans and conditions there. The least interested auditors were the ten boys and girls of the new children's choir which first took part in the singing Sunday morning.

Dr. Parsons prefaced his address by a few words of appreciation of the life and character of his dear friend, the late Mardon D. Wilson, first rector of St. Philip's who passed away during the time Dr. Parsons was abroad.

Taking up his subject for the evening, he described the feelings of strangers and uncertainty with which the five American clergy approached the stately eastern patriarchs and their relief at discovering behind the flowing beards and gorgeous ceremonial robes, men differing very little from themselves in ideals and hopes for the future.

Eastern Orthodox churches, many of them crushed for centuries under Turkish tyranny, are pulsating with new life. They are filled with progressive thought; laboring to purge themselves of inherited superstitions and appointing commissions to work for harmony and union among the churches. They gave the Americans a welcome more than cordial and promises of hearty cooperation for the future.

All through the Balkan states, torn as they are by inherited feuds and dissensions, Dr. Parsons noticed one common feeling and one common hope and belief. The first was a feeling of relief over the final overthrow of the menace of Turkey. The second, the hope for some sort of league of nations to save them from ever again becoming the playthings of the greater powers, and their belief in America's ideals and her determination to finish the work which she so gallantly began.

Dr. Parsons said that to anyone who has seen those ravaged and emaciated people and realized what America means to them, it is inconceivable that she can ever be content to substitute selfishness for idealism or abdicate from the high place which they have given her.

FIRST UNITARIAN CHURCH. The subject of the sermon by Rev. Clarence Reed at the First Unitarian church Sunday was, "Wanted: Soldiers for the Battles of Peace." He said:

Club Women's Plans Changed By Wilson's Visit

By EDNA B. KINAIRD.

Education is a wonderful equipment. Training in special lines making a woman expert and efficient and worth while takes not only months and years of application, but the one-purpose existence of the classroom and laboratory separates her from her kind. When she has finished, stands on that height which proclaims that at last she is ready to begin her work in the world, her troth have only begun. Who there who knows of her ability, her cunning? Hid away in cities and towns is that place into which she will fit like a glove, and the constructive building. She is being sought, too, by those who admit her necessity. It is a heart-breaking game of hide and seek to find the hands need not go far without her weekly pay envelope. The situation is not so fortunate for the woman whose training has isolated her from her kind, although her remuneration may be greater.

This is why the National League for Women's Service in California has instituted a new department with headquarters in San Francisco and put at its head a specially trained secretary. Her job is finding jobs for trained women. The department of industry serves women seeking paid employment. While the woman who desires work is ignored, it is in furnishing highly trained women that the organization of which Mrs. Duncan McDuffie is state president, and which remains over from the National League for Women's Service, Applications for positions and requests for workers are keeping busy the new secretary. Membership in the league is determined by enrollment.

Women of Hayward have taken heed of the public health of the county to the extent that a dinner in the interest of the Alameda County Public Health Center is arranged for tomorrow night at the Hayward Hotel, with the Hill and Valley Club extending an invitation to all who will to come and hear the speaker, Dr. J. H. Rosenberg, planning that its children may grow up into perfect manhood and womanhood and its adults may be unstanding men and women possibly guaranteed against poverty and crime. The function has been arranged particularly in honor of Dr. Richard A. Bolt, director of the Alameda County Public Health Center and head of physical work in the public schools of Oakland and Berkeley.

"Community Health" will be the theme which Dr. Bolt will discuss at a mass meeting in the Hayward High School Auditorium following the dinner. Mrs. L. R. Rosenberg, on behalf of the club women has arranged the program. Not only will Dr. Bolt explain the necessity of the health center but will offer suggestions to meet the need of the community in improving health standards.

President Wilson's arrival tomorrow is responsible for a number of upset club calendars. Plymouth Woman's Club has already arranged a most interesting hour at which "Shakespeare's Induction," a one-act play, will be presented. A number of the club members, Mrs. W. S. Kuder and Miss Phoebe Smith, was to be presented. In addition there were to be Old English under leadership of Mrs. Stoner, and readings by Mrs. Fred L. Slemmons and Mrs. Kuder. Had not the president intervened all this would have happened tomorrow. It is, another week must roll around before the program can be enjoyed. The club will meet on Thursday, September 25.

Premont High School Parent-Teacher Association, too, was to have had an important session to program the work for the new year and to confer on matters which relate intimately to the future of the school. But local matters must wait and the members have agreed that Thursday of the coming week will be a more fortunate date upon which to transact business than tomorrow.

"Short Story Writing" has a fascination for club women which nothing can break. Adelphi Club members are no exception to the general rule. Mrs. Peck, associate editor of Sunset Magazine, will be the special guest of the New Book section tomorrow and outline for the women's club. The program will be a series of lectures on this particular branch of literature. Mrs. W. C. Sharpstein is curator of the study class.

Mme. Labarreque of San Francisco will be a guest of the Music History section on Friday afternoon and take part in the program which will be devoted to old southern melodies. Mrs. John H. Merrill is curator.

Plans for the institution of classes in Americanization, dressmaking and painting which were made at the Bay School Parent-Teacher Association before the vacation are being carried out with the various sections busy on Monday, Wednesday and Friday evenings.

The association will hold a social day on Friday afternoon in the library auditorium of Bay School to which all women of the community are invited.

Must Pay Mother or Work on Chain Gang

ATLANTA, Ga., Sept. 17.—S. P. Barnett, a young man from Carroll Co., Ga., must pay his mother \$25 each month until he has paid \$250 or go to the chain gang here for twelve months, by order of Judge Humphries in the Criminal Division of the Superior Court. Barnett's mother paid a fine of \$250 assessed against the youth after conviction of stealing an automobile from the American Railway Express. Judge Humphries, in entering the order, declared he was determined the mother should suffer because of the crime of her son.

"FIRST NATIONAL" FAITS. DAYTON, O., Sept. 17.—Another "national bank" has failed to pay. Mrs. Beale Graver of Akron says she had \$346 laid away in a silk stocking and that the money is gone. She believes that she threw the stocking "into the dirty clothes" and that it went to the washwoman. At any rate she has asked the Akron police to aid her in the recovery of the money. She isn't worried about what became of the "bank."

ALICE STREET OPENING MAY BE ORDERED

Because of government complications, preventing the opening of Fallon street from Sixth to the Esplanade, an intermediate street must be chosen by Street Commissioner W. J. Baccus for his second outlet from the business district to the water front. This has developed through the decision of the city attorney's office that the proposed Fallon street opening cannot be arranged because of conflict with the provisions under which the Railroad Administration operates. A large block of land owned by the Atchison, Topeka, and Santa Fe Railway is the cause of the Fallon street complications. Under the federal law this must be returned when the railroad goes back to private ownership or the government will be held responsible, and the government reserves the right to re-

Public works assessments in such cases.

The opening of Alice street or some other street will probably be decided on in view of this complication. The city council recently ordered the first outlet to the esplanade in its vote, over a protest from neighboring property holders, to open Harrison street. This is the only complete outlet arranged for between Webster street and the water front. The city has created a heavy demand for a number of outlets, which, according to the street department, would assure unprecedented developments for the district concerned.

Hagan holds that, unless new Federal provisions are enacted the plan to open Fallon street would be null and void. The city attorney, including one of the largest box factories on the coast, are severely inconvenienced through lack of proper street facilities at this point.

CUSTOMS HOUSE TO BE MODERNIZED

With the consolidation of all departments which have similar or closely related functions, the customs house in San Francisco is to be thoroughly reorganized, according to an announcement just made by J. O. Davis, collector of port.

Coincident with this announcement was the arrival of Buck Cook, special agent of the federal treasury department, who is to be in charge of the work of installing the new system. The building is to be modeled on a plan put into effect in the New York customs service, which, according to Cook, has resulted in superior handling of the tremendous export business of that port since the war began.

Immediate reduction in the working forces is not contemplated. Improved methods are counted upon to make it unnecessary to fill vacancies that may occur in the regular office in future.

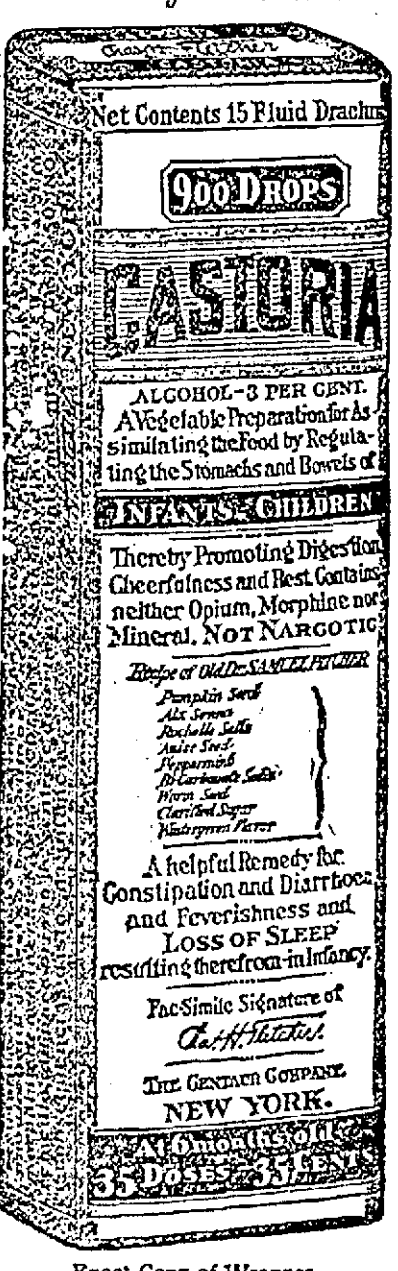

Among the new departments to be created by consolidation is that of fiscal affairs, which will include the existing customs, collecting and auditing sections.

A marine division will be formed to take over all business with the shipping, the entry, clearance and documentation of vessels.

Counterfeits.

Read what one of the GREATEST NEWSPAPERS IN AMERICA has to say on this subject:

"The manufacturers of Castoria have been compelled to spend hundreds of thousands of dollars to familiarize the public with the signature of Chas. H. Fletcher. This has been necessitated by reason of pirates counterfeiting the Castoria trademark. This counterfeiting is a crime not only against the proprietors of Castoria, but against the growing generation. All persons should be careful to see that Castoria bears the signature of Chas. H. Fletcher, if they would guard the health of their children. Parents, and mothers in particular, ought to carefully examine the Castoria advertisements which have been appearing in this paper, and to remember that the wrapper of every bottle of genuine Castoria bears the fac-simile signature of Chas. H. Fletcher, under whose supervision it has been manufactured continuously for over thirty years."—Philadelphia Bulletin.

Bringing Up Baby. When Adam ate the Apple we heard nothing about its effect on his stomach, but we do know, or ought to know, about the effect of all eatables given our children. This knowledge is necessary to all mothers, and the deaths among infants indicate that much information along this line is needed.

On this subject many works have been published, but most of them so technical and complicated as to be unintelligible to the lay mind. Food, hygiene and proper clothing must be learned by all mothers—they must study them, know them. Do you?

Around every bottle of Fletcher's Castoria is a booklet in plain, everyday language that all can understand, put there by the advice and approval of physicians. Will you read it?

Fletcher's Castoria has been in use so many years that it is a waste of words to praise it, but because of the many substitutes and imitations we endeavor to protect the babies by keeping before the public the signature of Chas. H. Fletcher and a copy of the wrapper. It is your only safeguard.

GENUINE CASTORIA ALWAYS Bears the Signature of Chas. H. Fletcher.

Mothers' Advice

The responsibility for a daughter's future largely rests with the mother. The right influence and the information which is of vital interest to the daughter imparted at the proper time has not only saved the life but insured the success of many a beautiful girl. When a girl's thoughts become sluggish with headaches, dizziness, or a disposition to sleep, pains in back or lower limbs and a desire for solitude, her mother should come to her aid and remember that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, will at this time prepare the system for the coming change and start this trying period in a young girl's life without pain or irregularities. Thousands of women residing in every part of the United States bear willing testimony to the wonderful virtues of this medicine, and what it has done for their daughters.

Brooklyn, N. Y.—"I cannot praise Lydia E. Pinkham's Vegetable Compound enough for what it has done for my daughter. She was 15 years of age, very sickly and pale and she had to stay home from school most of the time. She suffered agonies from backaches and dizziness and was without appetite. For 3 months she was under the care and got no better. Always complaining about her back and side aching so I did not know what to do. I read in the papers about your wonderful medicine so I made up my mind to try it. She has taken five bottles of Lydia E. Pinkham's Vegetable Compound and doesn't complain any more with her back and side aching. She has gained in weight and feels much better. I recommend Lydia E. Pinkham's Vegetable Compound to all mothers and daughters."—Mrs. M. Finkels, 315 Marcy Avenue, Brooklyn, N. Y.

AUTOS LOCATED IN BUSINESS STREETS

Thieves were busy stealing articles from standing automobiles in the downtown district, last night, according to reports to the police today.

Two suitcases containing clothing were stolen from the machine of F. S. Rawell, 1458 Madison street.

J. M. Cunha, 730 Irving street, San Francisco, reported the loss of his overcoat and \$15 in cash which was in a pocket, while he was riding in his car between Bethlehem and Moore shippings.

Some thief stole a battery, a tow rope and several tools from a machine of A. Tellerson, 5808 Fremont street, as the car was standing in front of Bethlehem yards, Alameda.

Kathryn Fox, 271 Van Buren avenue, reported to the police that her handbag, containing a number of personal articles, had been stolen from a machine parked at Fourteenth and Clay streets.

FORMER U.S. SENATOR COLE IS 97 TODAY

LOS ANGELES, Sept. 17.—Cornelius Cole, former United States senator from California, celebrated his ninety-seventh birthday today with a party at which many of what he termed his "young friends" were guests. Most of the guests were past 70 years of age.

Cole declared he is still actively engaged in the business of enjoying life.

Caillaux Ordered To Face Charges

PARIS, Sept. 17.—(Havas.) The commission of the high court, sitting as a tribunal of accusation, has ordered Joseph Caillaux, former premier of France, to face charges of inflicting to being about a premature and dishonorable peace with Germany.

The justice discharged Louis Loustalot and Paul Comby, who were held in connection with the Caillaux cause.

If you saw it in The TRIBUNE, tell them so. Thank you.

Aid Is Pledged for Health Center Nurses And Doctors to Join in Drive

Pledges of active co-operation and support are being received by the campaign committee of the Alameda County Public Health Center which on Monday begins a county wide drive to raise \$200,000 for the purchase of a site and erection and equipment of a center which such will house the administrative offices and numerous clinics which will make the local institution one of the most unique on the Pacific Coast.

Dr. William H. Strietmann, chairman of the physician's division of the campaign, announced that members of the committee which will cover the medical circles: Dr. S. H. Buteau, Dr. Charles Dukes, Dr. S. H. Ewer, Dr. J. R. Peary, Dr. O. D. Hamlin, Dr. A. S. Lantry, Dr. Robert Legge, Dr. George G. Heine, Dr. Arthur Hieronymus, Dr. Albert Rowe.

PROFESSIONAL AIDES.
The professional men who will assist Dr. J. Camp Dean, chairman of the dental division of the campaign organization are: Dr. Harry Carlsson, Dr. W. E. Gammons, Dr. Sherwin W. Hall, Dr. A. B. Howe, Dr. C. P. Jarvis, Dr. E. J. B. Smith.

Nurses of Alameda county under the leadership of Miss Mary L. Hall are being mobilized for participation in the campaign.

A small group of prominent citizens met at luncheon at Hotel Oakland yesterday to discuss preliminary plans. Endorsement to the movement has been made by county officials, the various city, health and school departments, hospitals, welfare organizations, churches, clubs and fraternal organizations.

CLINICAL QUARTERS.
The clinic work of the public health center is now underway in temporary quarters at the corner of Grove and Thirty-first streets, and the doctors and nurses are lending invaluable assistance here as well as in the child welfare work being organized throughout the county. Extensive plans are being carried out by the dental association to equip the health center dental clinics with live additional dental chairs to be operated by clinicians from the University of California and to give dental services at cost.

The plan of the dental association, working in co-operation with the health center, is to give all school children a free dental examination and then through the social service visitors of the health center, to refer the children needing dental attention either to a regular private dentist, where they can afford the regular dental fees, or when this is not possible, to send them to a free clinic of the health center.

In this way all of the children of the county will be assured the most expert dental care which can be secured, and at a cost equal to their means.

The health center is seriously

Dr. Northcott Will Be Tried Again Soon

SAN FRANCISCO, Sept. 17.—Dr. Ephraim Northcott, recently convicted of the slaying of Miss Inez

Reed, army nurse, who died of an illegal operation, will face his second murder trial on September 27 before Superior Judge Griffin for the alleged murder of Mrs. Eleanor Anderson of an illegal operation.

It Was on the Eve of Their Honeymoon----

SHE WAS AS LOVELY AS AN ORCHID AND HIS EVERY GLANCE BESPOKE LOVE AND ADMIRATION—

BUT LOVE and beauty do not buy affluence for a mining engineer, and all of the pretty things for the sweetest little girl in the world—

So when he was offered a chance by three financiers to go to Chile to explore a rich copper mine, he thought it would be the opportunity of a lifetime—

And What a Ripping Honeymoon It Would Make----

But no, said the financiers—it was out of the question to take a woman to so wild and uncivilized a country. And, anyway, it only would be for three months—that would not be long. So they kissed and parted.

He did not know, however, that the financiers were wolves in dress suits and silk hats—that they were treacherous beasts.

The months merged into years and he did not return. All of this time he was grieved as dead by his wife and his baby son.

But the Dead Sometimes Return----

There is ample proof of this fact when he is seen after five years looking through a window at his wife and son as they make merry before a festive Christmas tree. He sees a man walk up and put his arm about the bride he loved so well, and the window gazer recognizes him to be THE VERY ONE WHO HAD LURED HIM AWAY. AND NOW THE WOLF HAD STOLEN HIS WIFE!

Did He Keep Her?

This you can see for yourself in the tense drama of love, intrigue and finance,

CRIPPLED 'NEWSY' SUES FOR \$25,000

Milton A. Hurd, a paralyzed newsboy, who, for years, has sold papers on the street corners, is plaintiff in a suit for \$25,000 damages against the Hurd, and the Franklin Linotype company, San Francisco.

The complaint alleges that Hurd was on his way home to Ninety-third avenue, where he lives in a little rear shack. On the way out something went wrong with his steering apparatus and he lost control of his go-cart. He held his hands up in the air to indicate his helpless condition, in spite of which, he complains, the defendant came along with his automobile and ran over him.

Dr. Lee E. Smith has had charge of the case and the "newsy" is able to return to his corner, except for the fact that he has no wheel chair to carry him there. Hurd disclaimed any responsibility and refused to make good the damage resulting from the accident.

MISSING MAN IS SOUGHT BY SISTER

All health is given as the reason for the sudden disappearance of R. H. Cross, 21 year old, of Los Gatos, by his sister, Mrs. A. Merchel, 2222 Tenth street, Berkeley, who has appealed to the police for assistance.

Cross has been missing in health for some time. His sister believes he came to Oakland and fears for his welfare.

Cross disappeared September 12. He is six feet tall, weighs 118 pounds and has black hair, brown eyes and medium complexion. He wore a blue serge suit.

How to stop dandruff and loss of hair with Resinol

Here is a simple, inexpensive treatment that will almost always stop dandruff and scalp itching, and keep the hair thick, live and lustrous:

At night, spread the hair apart and rub a little Resinol Ointment into the scalp gently, with the tip of the finger. Repeat this until the whole scalp has been treated. Next morning, shampoo thoroughly with Resinol Soap and hot water. Work the creamy Resinol lather well into the tress. Rinse with gradually cooler water, the last water being cold.

Resinol Soap and Resinol Ointment easily heal eczema and similar skin eruptions. Sold by all druggists.

OFFICIALS AT ALBANY GIVEN RIGID QUIZZING

District Attorney Begins a
Searching Investigation to
Fix Responsibility for \$1300
Shortage in Public Funds

ALBANY, Sept. 17. — With District Attorney Ezra Decoto conducting a sweeping investigation, business of the town of Albany virtually is at a standstill today following the discovery of a shortage of \$1300 in the funds of the little municipality.

Mrs. Laura Isom, city treasurer and tax collector, and George W. Nickerson, city clerk, were put through a rigid examination last night by Decoto while all books pertaining to the treasurer's and tax collector's office of the town have been seized by the county officials and are being held pending the fixing of responsibility for the shortage.

The investigators say the method of accounting and handling the money at the office is probably responsible for their inability to place the responsibility for the shortage. As City Clerk Nickerson took in the money and placed it in a cash drawer, from where Mrs. Isom took it, no receipts passing from one to the other.

AUDITORS FIND SHORTAGE.
Discovery of the shortage was made recently by the board of trustees through the medium of a report submitted to the official body by the auditing firm of Loom and Strong as a result of an annual checking up of the municipality's books. This report has not been officially submitted to the board owing to the lack of a quorum at the Monday night's meeting, but on the strength of its showing City Attorney Leon Clark was unofficially instructed to take immediate steps to place the blame for the deficit.

According to information placed in the hands of the trustees, a deficit of more than \$4 a day since January 1 of this year has been discovered on the city's books or a total of some \$1300. Whether this is due to bookkeeping errors or to other reasons members of the board declared they do not know. A sweeping investigation has been ordered, however, by Mayor O. C. May and by Justices H. P. Hoyt, John Gill, L. C. Green and E. H. Smith.

Next to the city officials and others involved in the investigation, the most important person in the city's affairs is the city clerk, who has been in the city for the last half of the year just closed. Alleged embezzlements which have been made on the books are also being investigated.

Mrs. Isom has refused to conduct the affairs of her office for the past week following the receipt of the report from the auditor.

"I have merely taken my vacation at this time as the easiest way out of things at the present," she says. "I do not wish to discuss the situation until the district attorney has made his investigation. I am not afraid, however, of the outcome. The affairs of my office have been conducted with the utmost honesty and integrity."

City Clerk Nickerson is equally reticent in discussing the shortage, declaring that news of the deficit reached him for the first time yesterday.

"If there is any misappropriation of funds I know nothing about it," he declares.

Mrs. Isom has held the post of city treasurer in Albany for the past three years, being the first woman to be elected to that office. Nickerson was one of the founders of the city of Albany, having been in the city since 1880, and has held the office of city clerk practically all of that time. He was formerly a deputy in the county assessor's office and is a prominent member of the Oakland Lodge of Elks and of other fraternal organizations.

El Vesta Chapter, Eastern Star To Give Pretty Entertainment

SYLVIA SCHMIDT (left) and FRANCES CARTER are two little performers who will furnish entertainment for Associate Matrons' Night of El Vesta Chapter, Eastern Star.

Interesting Program Arranged for Brooklyn Masonic Temple Tomorrow Night.

A program of songs, recitations and dances will feature the associate matrons' night of El Vesta Chapter, Eastern Star, which will be given tomorrow night at Brooklyn Masonic Temple, East Fourteenth street and Eighth avenue. Elaborate preparations have been made for the affair, and refreshments and dancing will follow the program.

Among the program numbers will be songs by Mrs. H. Harkness, Mrs. M. Wheeler and Mrs. Dorothy Lawry.

A feature will be the dance numbers by little Sylvia Schmidt, Frances Carter and Carol Schmidt. These little misses are among the most talented dancers in the city, and have been particularly active in dancing in Masonic circles. Little Carol is only five years old, and has been dancing since she was three years old.

The committee in charge of the program consists of S. H. Austin, chairman of the chapter; Mrs. Grace Williams, matron; and Mrs. Augusta Blum, associate matron.

That Shantung is not held or ever was held by Japan and that therefore when Japanese declare they will restore it to China they tell what is physically impossible, was the statement which was made by Professor E. T. Williams of the University of California and a member of the League of Nations.

They surrounded Guam where four American cables land. While fortifications are forbidden under these rights which give them to Japan, in event of war it would not be difficult for Japan to cut off communication and they become powerful submarine bases.

In the proposed League of Nations Professor Williams saw modification of the mandate was imperative. He declared that Alaska, the Philippines, Hawaii, Porto Rico were as justly entitled to votes within the league as were Canada, Australia, India and the colonies of England.

These governments subject to the crown of Great Britain and their legislation subject to veto of the British crown, which grant to the British dominion six votes are less self-governing than the territories of the United States the speaker held. He dwelt eloquently upon the change which should be made in Article 19.

C. S. PRINCIPLES VIOLATED.
"In the settlement of the Shantung controversy every principle for which the United States fought has been violated," concluded Professor Williams. "We have given support to the most powerful militaristic government in the east and sustained the most powerful autocratic government against the only democracy which is pleading with America to come to its assistance."

"War is foolish and wicked," he said, "yet some men recognize only the power of might. Secretary Daniels is right when he insists that we be prepared in the future. Some questions can only be settled by the policeman. China, which has been taught to be a peace-loving people, has learned that lesson."

GEN. PERSHING AND ARMY IN GRAND REVIEW

Fighting First Division Holds
Parade in Washington; Veterans Pass in Review Before U.S. Vice-President Marshall

BY ASSOCIATED PRESS
WASHINGTON, Sept. 17.—Amid a roar of welcome General Pershing led the first division of the American expeditionary forces up Pennsylvania avenue today to receive the nation's homage.

It was the most grand review of the war-time armies, the Victory parade, the last chance for the hundreds of thousands of men, women and children jammed along the route to voice appreciation of the valor and daring of that army, and they made the most of it.

The procession reached its climax as the man who captured all the fighting forces of the nation in the great struggle, passed through the victory arch toward the reviewing stand, where Vice-President Marshall stood representing President Wilson to receive the general's salute. Behind him the picked thousands of the composite regiment, "Pershing's Own," formed a wall of bronzed faces as they swung into line.

From the general himself to the last man of the tank battalion that brought up the rear of the column, this perfected fighting machine, the shock division of the American army in the war, was groomed to army perfection.

MASS FORMATION.
Marching in mass formation and equipped with all the guns, gas throwers and captured German death dealing devices of front line service, the First Division, fresh home from France, moved along the broad avenue. Having the day's campaign of fighting manhood that filled the night with the roar of battle, the fighting machine of olive drab uniforms, the men swung by as resolutely as the wave of the sea, and the other divisions of the army followed in similar formation. Above each solid block of infantry rose the grim line of bayonets, the blue steel glinting dully as it caught the light.

LONG LINE OF "75'S."
Farther back came the long lines of field guns, French "75's," to which French officers have said, "The French never grow old, and after all the trains and wagons had rumbled by, came a battalion of tanks, streaked and glistening with paint to conceal them from enemy eyes, and now growing and clanking their way behind the troops in noisy response to the cheers that greeted them.

But it was to the line of khaki-clad, brown faced men themselves, that first interest of the thronging crowds all along the wide avenue turned. The home coming of this first unit of American manpower to cross the submarine-infested seas was in marked contrast to its silent, mysterious, unreported departure, and the men and women along the line seemed to feel the significance of the spectacle. They recalled the days when the nation waited in wordless anxiety to hear that these same smiling, France-striding boys had come safely to a French harbor, those other days when the first word filtered back that the boys had begun to prove their courage and carried the names of the men who sleep forever in France.

SPECIAL HONORS.
To one regiment of long, trim "75's" an unusual honor was accorded. The Sixth Field Artillery was placed between the two infantry brigades instead of marching with the rest of the artillery brigade behind the infantry, for it was C Battery of the Sixth which fired the first shot at the Germans on October 23, 1917. A standard told the on-lookers that at last they saw the very guns whose thunder had carried the first message of defeat into the enemy ranks.

Then came the First Infantry Brigade, marching in the French mass formation, twenty-four men abreast across the avenue, led by the

JINGLE JOINS MULES MUST GO.

The mule must go, he's had his day, it costs too much to feed him hay and he demands three pecks of corn each time they blow the dinner horn; dress a tractor, rain or shine, will lunch on oil and call it fine.

But that's not all, a mule will shirk, and strike and kick if made to work; and cause good men to tear their hair and deacons in the church to swear; whereas a truck will never balk or make the dullest driver work.

The mule must go, he's had his chance, no more he'll fuss and kick and dance; he brays too loud and brays too long each time he sings his twilight song; whereas an old Tin Lizzie boat just squawks one cheerful, simple note.

So on your way, your sun has set, we wish that we had never met; your tail's too short, your feet too small, you have no sense but lots of gall; your ears are long, your back's a rail, you old Missouri nightingale.

Third Machine Gun Battalion with its motorized guns. The Sixteenth Infantry, veterans of the bitter fighting at Cantigny, where France learned in what fashion America could and would fight and breathe free again after months of strain, led the way. After its three battalions had passed came the 15th Infantry in similar formation followed by the 1st Machine Gun Battalion of the brigade.

SIXTH ARTILLERY.

The Sixth Field Artillery came next, followed by the Second Infantry brigade composed of the 24th and 25th Infantry and the 2nd Machine Gun Battalion, then the long line of "75's" and the motorized "155's" of the 1st Artillery brigade, the 5th and the 7th Field Artillery. The horse-drawn guns and limbers of the 5th rolled by three columns, and the 7th pulled and pushed along with its heavier guns in the same formation.

So far as the First Division itself is concerned, the official record of its activities during the war recently published by the War Department speaks for itself. It stood 33 days in active service of the front against 123 in quiet parts of the line; it fought its way forward over 51 kilometers of sharply contested ground; it captured 163 German officers and 607 German men; it captured also 119 German guns, 62 trench mortars and 413 machine guns. It lists 4411 officers and men killed or died of wounds and had 1294 men wounded or gassed in the days it spent at the front and lost only 152 of its own personnel as prisoners to the enemy. Its replacements were greater than its original strength, 30,296, and 356 of its members won Distinguished Service Crosses for conspicuous gallantry in action.

AUTO COMPANY SUED.
The Chevrolet Motor Company and Lyman Duesenberg, an employee, are defendants in a suit for \$10,000 damages in which Clara Clawson is plaintiff. She alleges that she was run down by one of the defendant's machines, as a result of which she lost part of her scalp.

A DISCOVERY THAT BENEFITS MANKIND

Two discoveries have added greatly to human welfare.

In 1835 Newton originated the vacuum process for condensing milk with cane sugar to a semi-liquid form.

In 1883 Horlick at Racine, Wis., discovered how to reduce milk to a dry powder form with extract of malted grains, without cane sugar.

This product HORLICK named Malted Milk. (Name since copied by others.) Its nutritive value, digestibility and ease of preparation (by simply stirring in water) and the fact that it keeps in any climate, has proved of much value to mankind as an ideal food-drink from infancy to old age.

LITTLE GIRL RUN DOWN BY AUTOMOBILE

Five-Year-Old Tot Suffers
Fractured Skull and Internal
Injuries; No Arrests Have
Been Made by the Police

Suffering from a fractured skull and other injuries, five-year-old Emmerly Lou Hatchichis of Pleasanton is in a serious condition today at the receiving hospital, following an automobile accident last night.

A machine driven by Adolph J. Zimmerman, 589 Twenty-ninth street, ran down the little girl as she was crossing the street at Fifteenth and Clay streets. The child was thrown to the pavement. She narrowly escaped being crushed beneath the car wheels.

Zimmerman stopped and rendered assistance. The parents removed the girl to the hospital, where it was found she has abrasions, internal injuries and a fractured skull.

Officers E. Neils and J. Tobison investigated. No arrests were made.

STATE TO MEET H. C. L., BELIEF

Groceries were all that a thief who entered the home of H. Volken, 1645 195th avenue, stole last night, according to Volken's report to the Oakland police.

Volken told the police his two children had seen a man enter the house. A thorough ransacking of the kitchen by the unbidden visitor followed. A large stock of eatables was carried off. Nothing else was missing.

Slim Sallee Is Likely to Hurl Opener

NEW YORK, Sept. 17.—With the pennant lashed securely to their flagpole, Cincinnati fans can now have the privilege for the first time in history of doing their own bidding for the world's championship.

The red clad fans believe their team will win the World Series. They are betting that way at four.

Slim Sallee, veteran southpaw, who probably is Moran's selection for the initial contest. Pat not only figures him as one of the best of his class, but also as the best of his class. Sallee is a right-handed pitcher, but he is batting left-handed. He has been in the game for a long time, and he has been a consistent performer. He is a right-handed pitcher, but he is batting left-handed. He has been in the game for a long time, and he has been a consistent performer.

A yarn has been spun that Moran is going to split his pitching staff and send Sallee over to Chicago and let him pitch there during the series to have a pair that can be kept fresh by getting away from the tireless railroad trips.

"If there is a 'dark horse' in line for the honor of a series hero, the Cincinnati fans think it will be Pat Moran, the new outfielder who has been a consistent performer in the game. Moran came from Birmingham about a month ago and has been a sensation since he was given the chance to pitch in Sherry Magee's starring ground.

Tagging the Bases

By staging a four-run rally in the ninth inning that gave them an 11 to 10 lead over the Angels, the Cincinnati Reds won the game yesterday. The Reds scored a good chance for "Red" Killefer's bunch to take the lead in the Coast League pennant race. The Reds scored a good chance for "Red" Killefer's bunch to take the lead in the Coast League pennant race.

A big crowd of Los Angeles fans were out to see the game and it was a sad ending for them, especially with a win for their meaning. The game was a close and hard fought, with the Freshmen finishing on the short end of a 7 to 6 score. The Seniors were defeated by the Juniors, 25 to 0. Both games were hotly contested, due to the rivalry between the classes.

The Freshmen were the first to score in the opening frame. By a system of end runs and line bucks they advanced the ball to the Soph's 15-yard line, and then sent Miller, their captain, around for a touchdown. The quarter ended with the Freshmen leading 6 to 0. The Sophs failed to break through the Freshmen defense until the quarter, when McLean ran fifty yards through a scattered field to a touchdown. The game was a close and hard fought, with the Freshmen finishing on the short end of a 7 to 6 score.

The game between the Juniors and Seniors was closer than the score might indicate. Behind from the start the Seniors fought hard through the whole contest, showing Bishop and Crandall through the line for ever, the Juniors were easily superior. Shortly after the kickoff they advanced the ball to the Soph's 15-yard line, and then sent Miller, their captain, around for a touchdown. The quarter ended with the Freshmen leading 6 to 0.

The game at Salt Lake, between the Bears and Tigers, was also a heavy hitting contest. The Bears scored a 4 to 0 lead, but could not hold it. The Bears scored a 4 to 0 lead, but could not hold it. Athletics in High Schools

Two games of the interclass series began the football season at the University of California yesterday. The Freshman-Sophomore game was close and hard fought, with the Freshmen finishing on the short end of a 7 to 6 score. The Seniors were defeated by the Juniors, 25 to 0. Both games were hotly contested, due to the rivalry between the classes.

The Freshmen were the first to score in the opening frame. By a system of end runs and line bucks they advanced the ball to the Soph's 15-yard line, and then sent Miller, their captain, around for a touchdown. The quarter ended with the Freshmen leading 6 to 0. The Sophs failed to break through the Freshmen defense until the quarter, when McLean ran fifty yards through a scattered field to a touchdown. The game was a close and hard fought, with the Freshmen finishing on the short end of a 7 to 6 score.

The game between the Juniors and Seniors was closer than the score might indicate. Behind from the start the Seniors fought hard through the whole contest, showing Bishop and Crandall through the line for ever, the Juniors were easily superior. Shortly after the kickoff they advanced the ball to the Soph's 15-yard line, and then sent Miller, their captain, around for a touchdown. The quarter ended with the Freshmen leading 6 to 0.

COACH BOB EVANS LINES UP STANFORD FOOTBALL SQUAD

Stanford University, Sept. 17.—Stanford's football hopes settled down to the long preliminary training grind yesterday afternoon when Coach Bob Evans lined up the squad to get the "chalk talk" on the rudiments of American intercollegiate football. Twenty-five candidates for the varsity appeared on the field, the nucleus around which Evans hopes to build a winning machine. The men put through a stiff workout in the morning and afternoon practice will be inaugurated today and will continue until the opening of college on October 1. Coach Evans intends to work off the superfluous avoidances of the varsity players and to get them in good condition for the first grid struggle with the Olympic club on October 11.

Garry Hermann Is Not Worried About His Job

CINCINNATI, Sept. 17.—While "disturbing" reports were being received concerning the chairmanship of the National Commission in which Judge Landis of Chicago, was mentioned as a successor to Chairman Hermann, Mr. Hermann, president of the National league, was not worried about his job. He was not worried about his job. He was not worried about his job.

Today in an "off day" in the schedule and the Reds will enjoy a complete holiday. The Brooklyn club will play a game with the Giants on Thursday, which is Captain Groh's birthday. The Giants play an exhibition game in Toledo today.

It is needless to add that industry and perseverance are also important essentials, as in any other endeavor.

FACTS POINTED OUT.

1. The synopsis is a summary of the plot and the synopsis of 250 words became the general standard. This was called the scenario. Some of the studio employees added to the synopsis what is known as a "rough cut," or a working script. This was for the use of the director.

writers exists in the deadly serious way they take of the work. In the enthusiasm they overdo their subject.

I might add that a keen sense of humor is a wonderful asset. A noted critic once said that only a person with a wide sense of humor could be a successful dramatist. I think that is true. I have seen a great work of art by Shakespeare

out in scenes, each scene showing the action of the players in the different environments.

There is a fairly good motor vehicle (I refer to the period of seven or eight years ago) that was not a very difficult task to write a continuity sheet or working script for the average director.

The cost of a picture in those days was from \$300 to \$800. I, as a director, spent \$1000 here and was liable to dismissal. Compare these prices with "Intolerance" and "The Birth of a Nation," which cost approximately 7,000,000 each. Motion picture companies are

Many writers can put words together in a beautiful monument of description, but as far as its creation as a story, it is of no value whatever. The plot is lost in a maze of adjectives.

IMAGINATION NEEDED. The successful creator of stories

both imagination and expression. The art of placing words together from a minimum standpoint, with phrases, clauses and sentences in proper order, constitutes craftsmanship. This can be acquired. But the ability to imagine, to build mental plays, to create a new world in the mind's eye, is either in you or it isn't.

Therefore, the very first question the aspiring screen play author should ask himself is: "Have I imagination?"

If in all sincerity, he or she can answer in the affirmative, all the other "essential" can be acquired by hard work and study.

As in all the other arts, imagination is the key to the screen. The motion picture industry, from the very beginning, has steadily grown into a permanent fixture.

Intelligence began cropping into the screen world. The plays developed first from split reeders, and now stories into two and three reels, and then into feature length production of five and six reels. Occasionally they ran more, as in

impulse of the screen "writer." The chief worry of the beginner in screen play writing is in regard to technique.

ONE WRONG IDEA. Amateurs seem to think that a knowledge of the technical terms of production, to be able to speak in the vernacular of the studio, is the chief prerequisite.

Lighting effects by the cameramen were introduced in the old days; all the films were projected on the screen in black and white only. There was no coloring, tinting and toning of films. They had

Just Folks

by Edgar A. Guest

Oh, when you've walked with fam-
ous folk
And sat with people fine,
With those who wait at home,
Let youth exultant seek its goals

Which thrills like rare old wine;
 When you have shared the loud ap-
 plause
 Which comes to brilliant men,
 And found your dreams, how good
 it seems
 To get back home again!
 Let those who will by heaven or skill
 Seek glory through the day;
 But all who fade and who are
 Shall seek that moment when
 They'll turn from fame and want to
 claim
 The peace of home again.
 There is no lasting joy in pomp,
 No lasting pleasure in the
 throng,
 No lasting glory in the
 strife;
 The peace of home is
 the life.

When he shall tire of pomp
And go where children romp;
Nor matters not how high he climbs
Nor whether he may roam,
I'll call life best when he can
rest

And n. m. a king has longed to fling
Away his jeweled crown;
And once you've walked with fa-
mous folk
You'd had your fill of praise,
And yet you'd wish your fame once more to
cling
Your peaceful yesterdays.

My curiosity was aroused, and with it a wish to see the little stream once again. With Pete ambling in dignified fashion beside me, I walked

I drew myself in with haughty air, and the man's manner was distinctly tentative.

"Where is your mistress, Dimitri Hofer?" I asked, ignoring the question.

WATCHMAKERS AND JEWELERS

E. W. "GENE" MARTIN
Jeweler
 Come into our store and you will
 see a display of well selected Watch
 and Jewelry Establishment. No ex-
 pensive fixtures. No camouflage! It's
 all business designed to give 100% ser-
 vice and 100% value in merchandise.
 We do not have to add 30% to 50%
 to the price of our goods for over-
 head. We sell our goods at the price
 we buy, and buy direct from the
 manufacturers. If there is any
 difference between the price we sell
 and the value of the goods, it is the
 amount of the difference that we
 give to the customer. We like to deal
 with people who want the pennies and
 want to make them count.

PHYSICIANS
Influenza and Colds Cured

 One treatment
 averts danger
 of "Flu."
 It is most important to
 take the greatest care of
 the throat, which is the
 entrance to the lungs, and
 bronchial infection at
 this particular time.
READ THIS
 TO WHOM IT MAY CONCERN:
 After having suffered with an ex-
 tremely hard cold, which I
 could get no relief, and fearing an at-
 tack of the Spanish Influenza, I went
 to Dr. Sing Herbs. He examined my
 throat and found it inflamed. He
 gave me a treatment which was en-
 tirely new to me. I was cured in
 one treatment and I most certainly
 cured. Dr. Sing a real doctor. Anyone wish-
 ing to verify this statement may do so
 by telephoning me at my residence,
 calling Merritt 1775.
